Extrication on New Vehicles/Hybrid and Air Bag Systems will be added to this class and is required for the completion of the Emergency Medical Responder Course. This will be a two day class and will be held at the EMS Station at 35 Star Rd. **Dates to be determined and announced.**

☺ All County fire departments are invited to attend the Extrication Class on New Vehicles/Hybrids and Airbag Systems. The class is being held at the EMS Building at 35 Star Road. Dates to be determined and announced. ☺

EMS will be incorporating our monthly in-service training with Countywide First responders. This will allow your First responders the convenience of choosing from several day or evening in-service trainings offered each month. This should accommodate the required credits needed each year.

If you are interested in any of the classes offered please contact Laureen White at white@edgefieldcounty.sc.gov or 803-480-0742.
